

EDWIN AU

This IS A COVER OF MY WORK LIFE STORY

Chapter One,

Having worked for The Walt Disney Company Canada as Product & Corporate Branding Designer in consumer products, I would like to bring my skills and expertise to your team. Prior to Disney, I worked for Bluenotes as Menswear Designer & Buyer before moving to Milan where I received a work opportunity with Italian Luxury Fashion House Dolce & Gabbana.

I'm passionate, driven, directional, analytical, creative, solution-based, team-oriented and always ready to lead & create. I draw inspiration from architecture, film, T.V. commercials, print ads, the www dot, social media, 3-D art sculpts, and not limited to the above.

If you have any questions regarding my interest to work with your company, please don't hesitate to let me know. I look forward to hearing from you.

Warm Regards,
